## In With The New

Some appraisal party animals: Brown Harris Stevens' **Alice Palmisano**, Albert Valuation Group's **Daniel Sciannameo**, KTR Real Estate Advisors's **Theresa Nygard**, Leitner Group's **Joel Leitner**, and Appraisers & Planners' **Ruth Agnese**. All see **reason for optimism** in '11, with predictions that the real estate industry is **recharging**. We'll see more transactions and a slow but steady improvement to the economy (although **job creation** will lag behind). As for holiday plans, Alice, Dan, Theresa and Ruth are staying close to home, but intrepid world traveler Joel and family will be heading to the **Galapagos Islands**.
